Program Philosophy

Everything a preschool aged child does is a learning experience. At preschool, it is our job to introduce the children to as many different materials and hands-on learning opportunities as we can. We will PAINT, SING, JUMP, DANCE, HAVE STORYTIME, PLAY WITH PLAY DOUGH, BUILD WITH BLOCKS, PLAY GAMES, AND CREATE MANY BEAUTIFUL WORKS OF ART. During circle time we will emphasize oral language and beginning math concepts. When we're not doing all this we will be working on the social skills of cooperating in a group, listening, following directions, and solving problems. Our program is play based and we embrace the theory that children learn best through play.

We are also a part of Project Cornerstone working to build developmental assets one child at a time. Developmental Assets are the positive relationships, opportunities, values and skills that young people need to grow up caring and responsible. These assets include adult role models, positive peer influence, caring school climates and a sense that our community values youth. For more information see page #11 and #12 or you can visit www.projectcornerstone.org.

Program Goals

- To instill a LOVE OF LEARNING that students can carry throughout their lives.
- To provide age appropriate skill building activities that foster learning.
- To provide a safe and secure environment that allows children to thrive.
- To give children a sense of self-worth by allowing them to succeed at their own level.
- To encourage creativity and confidence through art, music and motor-skill activities.
- To build social skills including sharing, problem solving, making choices, cooperation, being considerate, taking turns, listening, sitting attentively, and learning appropriate behavior for certain situations.

Sample Daily Schedule (Time varies depending on age group)

- Free Choice Play (Sensory, dramatic play, science and nature discovery, manipulative and art exploration)
- Circle Time (calendar & weather, music and movement, read-aloud stories and finger plays)
- Hand washing and snack time/ Quiet reading time
- Half of the group goes outdoors to play while the other half remains inside and are able to participate in a more complex small group learning experience and project
- Music and Movement Activities
- Summary of the day and Goodbye Song

Please note: This is just a sample of how the teachers divide up a basic day. It is important to know that this schedule is an approximation of the time spent and that each teacher and class activities may vary.

Participant Readiness

Staff reserves the right to terminate a student's enrollment in preschool, or send the student home for the remainder of the day if the result is determined to be beneficial to the class as a whole. A student's enrollment may be terminated if he/she shows signs of the following:

- Behaviors that are disruptive or dangerous to the child, other children, and/or teachers
- Excessive separation anxiety
- Consistently aggressive or disruptive behavior requiring excessive attention of the teacher and/or assistants

Potty Training and Bathroom Time

All children need to be potty trained before beginning our program. If the child has a potty training accident while at school, the parents will be contacted immediately and asked to come and change her/his child's clothing. **Potty training problems will need to be resolved by October 31st.** If the child is still struggling after this date and is having frequent accidents the child will be removed from the class and placed on the top of the registration waiting list. If they become potty trained and a vacancy opens the child can return to the class.

If needed, Preschool Staff will escort children to the bathroom, stand in the doorway with the bathroom door open, and verbally coach the children through the toileting process, assist children with snaps and zippers and make sure that all children wash and dry their hands. Staff then escorts the children back to class.

A parent will be called to return to school to clean their child if staff is unsuccessful in the coaching process or the child becomes upset.

Parent Helper Days

In order to make our program the best it can possibly be, we ask each family to participate as a parent helper in the classroom. How often you are required to work in the classroom will depend upon how many students are in your child's class. If there are 20 students, you will have to help approximately 5 times per child per school year. However, if there are fewer students, you will be required to help more often. Parents sign up for "helper days" during Parent Orientation in August and changes will need to be discussed with the teacher during the school year. The Parent Helper's name for each day will be printed on the Monthly Calendar.

We have found bringing younger or older siblings on these days can be a distraction to the teachers, assistants and students. Please leave your little ones with a babysitter or trade babysitting with one of the other parents. If the parent is unable to arrange childcare for siblings, arrangements can be made for a substitute staff member to work at a rate of \$30.00 per class for Little Learners and \$35.00 for Kinder Learners. Arrangements must be made 48 hours in advance. Please notify us by calling the front desk staff 408.782.0008. The parent helper also provides a nutritious snack for the whole class

If you cannot work on your assigned day, please use your class roster to find a replacement parent helper. We count on the parent helper to reduce the student to adult ratio which allows us to spend

more quality time with the children. If you have an emergency and cannot help on your day, please call or email your child's Preschool Teacher classroom at 408.310.4294 as soon as possible and leave her a message. It also helps if you can still send in the snack even if you are unable to stay and help.

On your helper day, remind your child ahead of time that while you are glad to spend the school day with him//her, you are also there for ALL the children. Sometimes children who are normally more independent are sometimes more "clingy" when you are the parent helper. Teachers understand this, so do not be overly concerned. Encourage your child to join the class and participate, as best they can.

Snack Policy

The parent volunteer for the day will be responsible for providing snack for the day. The Morgan Hill Preschool Program is endeavoring to promote a nutritious snack program. This calls for a "team approach" between parents and staff. This program encourages active support from parents by eliminating the "cookie and punch" snack and replacing it with a nutritious snack from the list below or other creative nutritious snacks. The development of positive attitudes towards food is the basis for the practice of healthful dietary patterns.

Please reserve cupcakes and sweets for birthdays or holiday celebrations only.

Protein	Carbohydrate	Fruits or Veggies
Cheese	Pretzels	Fruit (grapes, strawberries, oranges)
Yogurt	Bread Sticks or Crackers	Veggies with ranch or hummus
Cold Cuts	Unsweetened Cereal	
Cottage Cheese	Banana Bread or Muffins	
Hummus	Zucchini Bread or Muffins	

****No Peanuts!**

IMPORTANT: IF YOUR CHILD HAS ANY FOOD ALLERGIES, PLEASE PROVIDE THE TEACHER WITH A LIST OF WHAT THEY CANNOT EAT. WE WILL ALERT THE OTHER PARENTS IN THE CLASS SO THEY CAN AVOID THAT FOOD ITEM WHEN PLANNING THEIR SNACK.

Please remember that the snacks should be kept to small serving amounts as we do not want waste. Snack time is really not so much about the food, but more about manners and eating in a social environment.

Late Pick Up Policy

Children need to be picked up within 10 minutes after their class is over. If parents are later than 10 minutes after class is over they will be charged \$5.00 for every 5 minutes they are late. Fee is payable to The **City of Morgan Hill** to the teacher or CCC Welcome Desk staff, by cash or check, when the child is picked up. Please be on time for pick-up. It is important for your child's self-esteem and sense of security as well as being considerate to the teaching staff. If you have an emergency and cannot pick up your child on time please call the preschool classroom at 408.310.4294 to speak with the Preschool Staff or the Welcome Desk staff at 408.782.0008.

SICK CHILD POLICY

Please follow these guidelines and if your child has any of these symptoms, please keep them home:

1. Fever within the last 24 hours
2. Excessive wheezing or coughing.
3. First 2 days of a cold, especially if the child is uncomfortable or has a runny nose with yellow/green mucous or a persistent cough.
4. Rash (not heat or allergy related).
5. Diarrhea, three runny stools in a row.
6. If your child is unable to participate in outdoor activities which are a regular part of our schedule. On rainy or very stormy days we will have activities inside the CCC in a different room, rather than outside.

Please be considerate of other children when deciding whether or not your child is healthy enough to attend class. Thank you for your consideration!!

IMPORTANT: Please contact the preschool staff immediately if your child has become ill with a contagious disease (lice, hand/foot/mouth, chicken pox, etc). It is our responsibility to notify other parents of their child's exposure.

Payment Policy

A full month tuition payment is required to hold your child's spot for September. Cancellation notices received on or before August 1st will receive a refund, minus a Cancellation Fee of \$100. Cancellation notices received on or after August 2nd will forfeit all monies paid to date. Payment may be paid by check, cash or Visa/MasterCard.

Automatic payments are processed on the **FIRST DAY OF EACH MONTH**. A \$25.00 rejection fee is charged if payment does not go through. Please fill out a new Payment Authorization Form if your checking account number changes. Submit this immediately to avoid rejection fee.

Cancellation Policy

If you do not plan to have your child continue, we request that you notify your child's teacher and fill out the Preschool Cancellation Form and submit it to the CCC Welcome Desk at least two (2) weeks prior to your child's last day. This will allow us to stop your automatic payment on time.

Financial Aid

The City of Morgan Hill Recreation Department offers recreation scholarships on a first-come first-served basis while funds are available. They are available one month per season (Fall, Winter, Spring and Summer) per child ONLY. Please contact the Centennial Recreation Center or Jennie Tucker at the CCC for more information.

Tax Forms

If you would like copies of your monthly tuition payments for tax purposes, please contact the Community and Cultural Center Welcome Desk at 408.782.0008. The Tax ID # is: 94-6000377

Suggestion and Recommendations For Parents

- For security purposes, the preschool classroom remains locked at all times. The teacher will open the door a few minutes before class to welcome students and families.
- Take your child to the bathroom BEFORE bringing them to class. (You may use the restroom in the CCC or classroom).
- We ask parents to please keep cell phones turned on during school hours, in the event we need to reach you.
- Preschoolers may bring a SMALL backpack to school to keep in their cubby. Include a light sweater or jacket for cool weather.
- To help your child (both Little Learners and Kinder Learners) be more comfortable in the event of a “bathroom accident”, please keep a simple change of clothes in a gallon Ziploc bag with your child’s backpack throughout the entire year.
- Please do not drop off your child early or pick them up late.
- Please be on time for class! The “free choice” time provides valuable socialization time.
- When picking up your child after class, please wait outside the room until the teacher opens the classroom door. Doors are locked during class so that no one enters or leaves the classroom without the teacher’s knowledge. If you need to disrupt the class while in session, please knock (loudly!) on the door.
- After our “goodbye song”, children will be asked to sit at the tables (they can read a book), until the parent comes to sign them out. Children will not be released to an adult if they are not so indicated on the child’s registration form. ID’s will be required for any adult the teacher does not recognize.
- Make sure to check your child’s cubby before you leave the room for any artwork or notes from the teacher.
- Teacher and assistant will communicate with the parent after class if there are any behavior difficulties during class. We require signed acknowledgement if there was an incident or accident report filled out.
- Because many of our art projects are messy, please dress your child in comfortable “older” play clothes that will allow them to participate to the fullest.
- Sneakers are recommended to protect feet while playing in the playground, and outside areas. Please no shoes with high heels or flip flops.

8. WHY ARE THE CLASSES ONLY 2 ½ or 3 HOURS?

- Little Learner classes are 2 ½ hours twice a week to provide the young child with an initial preschool experience and an opportunity for socialization. Kinder Learners meet for 3 hours three times a week to offer more opportunities for learning and skills development, in preparation for Kindergarten. We feel this schedule allows for a rich balance of the home and school environment. If you need a daycare situation, there are other programs available in town.

9. WHAT TYPE OF CURRICULUM DO YOU TEACH?

- We are a play-based preschool. We believe in teaching our children through play and instilling a love of learning in each child. We emphasize process and not product in all of our activities.
- We teach children the building blocks so that they can be successful when they move on to Kindergarten. Skills such as taking turns, personal space, fine motor skills, letter recognition, social skills, and many more.

10. WHAT DO YOU DO ON RAINY DAYS?

- We move the children to a room available inside the Community and Cultural Center and provide fun and physical activities such as: tumbling and music & movement games. Children can express themselves and build their social and motor skills by playing with instruments, dancing with streamers and scarves and playing with other fun props.

11. WHAT DO YOU DO IN CASE OF AN EARTHQUAKE?

- During the school year we will do one to two drills where we teach children how to remain calm and how to evacuate the classroom safely. Children will be trained to hold a rope all together with handles and walk out to the northeast corner (Fifth and Depot) of the CCC parking lot along with the Preschool Teacher, Preschool Teacher Assistant, parent helper of the day and staff on duty. Parents will be able to pick up their children at that location or in the Children's Pavilion if it is safe.

12. CAN I CANCEL AT ANYTIME DURING THE PRESCHOOL YEAR?

- Yes. We just require 2-3 weeks' notice to have time to cancel your automatic draft. Please contact your preschool teachers or Supervisor if there are specific reasons why you are canceling your membership. All cancellations must be confirmed by a signed cancellation form located at the Welcome Desk.

CURRICULUM

Little Learners & Kinder Learners

It Looks Like Play.....It's Really Work

PAINTING..... develops.....

Using bright colors to create satisfying personal symbols.
Movement of arms, wrists, hands and fingers.

WRITING SKILLS

Working with paints and crayons is relaxing and gives the thrill of accomplishment as well as providing practice in the use of hand and arm muscles.

SHARING PERIODS..... develops.....

Relating what has happened at home, e.g. the new baby.
Explaining a painted picture. Describing something constructed: the new car, a visit to a relative's house or a ride on a train.

LANGUAGE SKILLS

Speaking before a class, giving a recitation or a report, is sometimes difficult, especially for shy children. Telling stories helps overcome this difficulty.

RHYTHMS and SINGING..... develops.....

Hopping, skipping, and running in rhythm. Dancing like whirling leaves or gliding like an airplane. Singing of falling snow and growing trees.

SELF-EXPRESSION and COORDINATION

Children need to do things with others in harmony, where the help of all is necessary. They need to use words clearly to express thoughts and to express themselves through music and movement.

LOOKING AT BOOKS..... develops.....

Turning pages, looking at bright colored pictures. Telling others about them, making up stories about them. Showing others what is interesting or funny.

INTEREST IN BOOKS

Books become interesting, friendly things and words in print tell a story.

LISTENING TO STORIES..... develops.....

Stories are read and discussed. Children tell of their experiences and share made-up stories.

LISTENING SKILLS

Listening to others isn't easy in an age characterized by activity, but listening and thinking are necessary skills for communicating with others.

SHARING PLAYTHINGS..... develops.....

Taking turns with toys and games, with scissors and glue, letting others play and cut. Understanding how a group can have fun and get things done too.

SOCIAL SKILLS

At home, playthings are "mine," in the school "ours." It's a hard lesson, but a necessary one for success in school and for living with others pleasantly.

CUTTING AND PASTING..... develops.....

Scrapbooks, Illustrations for a story. Pictures for a bulletin board display. Holiday decorations. Creating our own designs.

WRITING SKILLS

Cutting on a line is hard. Keeping paste within bounds takes concentration. Small hands and young muscles need training and development for finer writing skills.

Special Dates

Parents are always welcome in the classroom, but you may want to make a note of the following occasions and attend these activities. More detailed information about each celebration will be provided during the weeks prior to the event.

Halloween Party: Preschoolers may dress up in costume for the day. Families may want to come during the last half hour of class to join us as we parade around the grassy area outdoors and “trick or treat” in the offices at the CCC. Parents are welcome, but not required, to bring a special gift for the students.

Thanksgiving Feast: Preschoolers and their families have a multi-cultural Thanksgiving Celebration and Potluck in one of the meeting rooms at the CCC. We encourage the students to learn about their family’s heritage for this celebration. We’ll sing a few Thanksgiving songs for Mom and Dad, too! This activity will take place during the last 45 minutes of the class.

Holiday Party: Visit from Santa (a surprise guest for our preschoolers!) Preschoolers will have prepared a holiday gift for their parents and have a short performance for the family. Preschool staff will provide drinks, we ask that each family provide cookies or a special sweet to share. This activity will take place during the last 30 minutes of class.

Valentine’s Day: Preschoolers may bring Valentines in to class on this day. Preschoolers in our KL classes might want to use this as an opportunity to practice writing their classmates names (start early - just do two or three each day!). Teachers will provide a list of the first names of all the children in the class. We’ll make Valentine “mailboxes” in class.

Picture Day: Teddy Bear Portraits Company comes each year to take class and individual photos of our preschoolers. Kinder Learners dress in a blue graduation cap and gown (provided by the photographer), and Little Learners may wear anything they like-casual or dressy. There is an opportunity for sibling and family photos, too. Pictures are developed and ready for purchase about two weeks after the photo shoot. There is NO obligation to purchase the photos. All preschool families receive a free class photo and gift on the last day of school.

Easter: We dye eggs in class, make Easter baskets and have an Easter egg hunt on the lawn for the class!

Graduation: Families meet Kinder Learners in the Hiram Morgan Hill banquet room for diplomas, a short performance and photos. Little Learners welcome their families in the preschool room for a short performance and a certificate.
